The crowd is assisted in cheers by cheerleaders Jerri Twaddle, Micheyle McIntyre, and Patti Hoffman

The sparks, roar, and light of the bon-fire provided the back-ground for the student crowd who came to yell and cheer for the Edison Chargers. Football players Dale Shane, Ken Springer, Terry Cheeseman, and John Bostater dressed as girls, joined the cheerleaders and led the crowd in funny and spirited cheers.

The Edison Marching Band under the direction of Mr. Nick Georgiafandis spurred the enthusium of the students with the school fight song and snap py musical numbers.

Refreshments of cider and donuts were provided by the Student Council. Members of the Athletic Boosters Club served the many supporters of the Edison Football team.

Fire and Smoke

Patti Hoffman and bewigged Ken Springer lead the spectators in cheers

Mr. Bert Pritt and Mr. Charles Kisaberth aid in serving refreshments.

After watching the Edison Chargers defeat the Black River Pirates 36-0 in a cold, beating rain, the task of decorating for the Homecoming dance began.

Green and white crepe paper streamers were strung across the cafeteria and the crowning area in the auditorium for the Homecoming queen, Michele Beck. Center pieces on the tables in the cafeteria were floating candles.

Refreshments for the dance were prepared by some of the committee members earlier in the week. The girls purchased the ingredients for a variety of cookies. They mixed and baked them in the school home economics kitch-

Preparations for the Homecoming Dance were made by the Senior class. Patti Brunow, Kathy Buehrle, Joan Cooley, Cindy Gliatta, Kyle Hennings, Karla Kamens, Linda Lake, Patty McWilliams, and Joanne Stein were the eight members of the 1973 Homecoming Dance committee.

Karle Kamens adds chocolate thips to her. Kathy Buehrle does her part by making

Annette Johns and John Knallay arriving at the '73 Homecoming Dance.

Jeff Gesson, Susie Lambert, Terry Hall and Jacquie Foos watch as the queen and her court have the first dance.

Homecoming 1973

The Edison Chargers hosted the Black River Pirates, October 13 for Homecoming. During the pre-game ceremony Michele Beck was introduced as the 1973 Homecoming Queen. She was crowned and given a bouquet of red roses by Marilyn Cline, Edison's 1972 Queen. The rain did not dampen the spirit of the day; Michele and her court with unbrellas watched the 36-0 victory over the Black River Pirates in the drizzling rain.

That evening silver letters glittered out "Homecoming 1973" as the couples boogled to the music of OASIS from Cleveland at the Homecoming Dance. Held Saturday, October 13 in the cafeteria of Edison High School, Queen Michele presided over the dance which terminated the weekend's activities.

At the coronation ceremony in the auditorium, Michele was recognized and the court introduced: freshman attendant, Caroline Oetzel escorted by Bob Roe; sophomore attendant, Karen Springer escorted by Jack VanWinkle; junior attendant, Jayne Welfle escorted by Todd Taylor; and senior attendants Melody Dute escorted by Dan Willis, and Jill Kaatz escorted by Jim Salmons. The crown and flower bearers were Mat Meyer and Renee Cole. After the coronation the band dedicated a song to Michele and her court.

A cake decorated in the school colors, orange and blue, was cut by Queen Michele. Cookies and punch were served by Senior class officers Kathy Buehrle, Karla Kamens, and Chris Meyer.

Students Perform Play In Round

Jan Molrow (Terry Pling, and Blad Allen Dan Hutchinson, talk things over

Elem. Michael Beck is maying plans to the evel ning with Brad Allen (Dan Hutchinson).

Pillow Talk, Drama Club's fall production, was presented November 16 and 17 in the school auditorium. It marked the first time a play was done here in the round. The stage was extended to the first row of seats, and risers and chairs were set around the stage to finish the round.

Comedy centers around Jan Morrow (Terry Poling), an interior decorator, who shared a party line with a bachelor song-writer, Brad Allen (Dan Hutchinson) and occasionally with her maid Alma (Pat Hall). Jan is annoyed by Brad's constant calls to his girl friends, Eileen (Michele Beck), Marie (Lisa Hipp), and Yvette (Vicki Taylor).

Brad disguises himself later as Rex Stetson, a Texas oilman. His true indentity is revealed by Jonathan Forbes (Toby Lenz) along with detective Graham (Randy Porter). Being aided by Jan's assistant, Pierot (Edwin Martz), Brad manages to make up with Jan and proposes marriage.

Other members of the cast included: Mrs. Walters, Laurie Simpson; Miss Dickenson, Alice Young; Mrs. Ames, Marcia Gable; Mrs. Frost, Glenda Burns; Supervisor, Ardell Sukke; Policeman, Andy Haeuptle; Tony Walters, Arthur Martz; Ann, Lori Westcott; Tilda, Debbie Morrow; Miss Conrad, Beth Blackburn; Bessie, Cheryl Stout; and Girl in Club, Nancy Hutchinson.

Brad Allen (Dan Hutchinson) is on the telephone with one of his girl friends.

Alma (Pat Hall) gives her opinion of Brad Alten.

Brad Af e_{ℓ} . Dan Hutch ison, is with one of his girl friends, Maile (Lisa Hipp).

Edison Performs Musical

Edison High School Drama Club produced the Cole Porter musical ANYTHING GOES on April 26 and 27. This marked the first time a musical was done in the new high school building.

The setting for the musical was aboard a ship. It was a multi-level set with rollaway rooms. The story evolved around Billy (Dale Shane) and his old girl friend Hope Harcourt (Carmen Likes). She is engaged to Sir Eveyln (Randy Porter). Billy tries to 'fix up' Reno (Nancy Knittel), with Sir Eveyln which added the conflict to the plot.

Mrs. Harcourt was portrayed by Glenda Burns; Bonnie, Alice Young; Moon, Arthur Martz; and Whitney, Toby Lenz. Other members of the cast were Kim Gnecco, Vicki Taylor, Beth Blackburn, Pat Hall, Janice Peterson, Bobbie Bogan, Cheryl Stout, Kathy Brunow, Vicki Lehman, Nancy Hutch Inson, Rick Harkleroad, Mark Wikel, Rick Smith, Edwin Martz, Terry Cheesman, Ken Springer, Robbie Byrd, Rex Heckelman, Russ Bragg, Lisa Hipp, and Linda Burke

The play was directed by Mr. Rex Stanforth, adviser, and student directed by Debbie Hohman. Stage crews were supervised by Mr. Steve Schauer. Conducting the orchestra and the chorus was Mr. Nick Georgiafandis.

Nancy Knittel portrays Reno Sweeney

Passengers socialize during their transflantic voyage

Mrs. Harcourt (Glenda Burns) gives her compliments to the captain (Torry Cheesman)

Card playing Chinamen is played by Ken Springer.

"I can't use a thing without my glasses, says Whitney (Toby Lenz)

"I'm the bottom, your the tops" sings Billy (Dale Shane) to Reno (Nancy Knittel)

Bonnie (Africe Young) sings out many of her solos,

Patti Hoffman shows Gail Mitchell an art piece she likes

Mr and Mrs. Rex Stanforth discuss sketching at the festival.

Spectators take a close look at art work.

Guest band from Bedford entertains audience.

Mrs. LaViphne Sart of eld (center) explains to visitors various techniques used i anti-

Bands from Edison, Bedford, and Mapleton were highlights at the annual Fine Arts Festival May 3 and 4 at Edison High School.

The Edison Stage Band played Jazz-Rock numbers including "Dark Orchid", "Approaching Storm", and "Ya Gotta Try". Featured Soloists were Dave Gillard, Brian Boos, Nancy Hart on trombone and Wayne McCoy and Kerry Westcott on trumpet.

Mapleton played numbers including "2001", "Hey Jude", and "The Sounds of 3 Dog Night". Bedford featured both Jazz and Rock numbers including songs from the Maynard Ferguson Band.

The Art Department under the direction of Mrs. LaVonne Satterfield participated by contributing art exhibits from all art and art appreciation classes, Projects made by students in the industrial arts classes were also shown.

Varsity Football members portray St, Paul Flyers after the game

Fishermen Show School Spirit

Rolled-up jeans, overalls, flannel shirts, hats, and boots were among the most popular items worn on Fishermen's Day at Edison High School November 2. The students who participated dressed as if they were going on a fishing trip. Reason? To create spirit and enthusiasm for winning the Edison - St. Paul football game November 3.

One student had the names and jersey numbers of the St. Paul players on fish "strung up" on a stringer. Some of the faculty joined the students and dressed as fishermen. The familiar "Beat Flyers" T-shirts from the previous year were also worn by the students.

The premier of "Fish Day" proved to be very successful. In the last quarter of the football game, Edison beat St. Paul 20-18. There is a good possibility that this spirit event may come to Edison High School next year. Students who participated felt it was successful and would like to have it again. One fisherman stated, "It was fun and at the same time it was a worthwile cause".

Prom Is Stairway To Heaven

Mr. and Mrs. Hex Stanforth watch students at the Prom.

Dan Lake and Michelle Beck sit out this dance

Edison Juniors spent many long hours planning and making decorations for the Prom May 11. Their theme was "Stairway to Heaven". They turned the cafeteria into a celestial city. A large white angel reigned over the dance.

Couples danced to the music of "Sweet Leaf", a band from Cleveland. The senior will and class prophecy were read by Kathy Buehrle and Dave Gillard.

Mrs. Rita Welfle and her committee planned and served refreshments. Adviser, Mrs. Margery Lindecamp, guided the class with their project, the Prom.

Juniors portray "Stairway to Heaven"

Grine Fernandez and Linda Boose enjoy the evening

Les el Lee and Dan Willis dance to the sound of "Sweet Leaf"

Tom Peterson and Joan Cooley relax with refreshments.

Students and their dates dance in the celestial city

Students enjoy bowling at Greentree lanes

Greentree Is Site Of After Prom

Chaperones were seen at every turn, but didn't dampen any spirits as the 1974 after-prom activities scrambled into the wee hours Saturday May11, at the Greentree Inn, Sandusky.

Main attractions were the swimming pool and the more than thirty bowling lanes. Much appreciated was the ham and roast beef sandwiches provided by parents and the food committee headed by Mrs. Ralph Lehmann and Mrs. Joe Rooker.

Couples and groups of students divided their time between splashing in the sparkling blue indoor pool and competing for the most strikes or spares in the bowling lanes. The four hours of fun started at 12:30 and followed the Junior-Senior Prom "Stairway to Heaven".

Junior class officers who made the arrangements for the prom and afterprom were president, Robin Taylor; vice-president, Joy Graham; secretary, Micheyle McIntyre; treasurer, Lisa Johns; and social chairman, Jayne Welfle.

The afterprom would not have been possible had it not been for the parents who donated their time as chaperones. They included Mr. and Mrs. Joe Taylor, head chaperones; Mr. and Mrs. Jim Johns, Mr. and Mrs. Don McIntyre, Mr. and Mrs. Lewis Doerner, Mr and Mrs. Don Graham, Mr. and Mrs. Fritz Spoerr, Mr. and Mrs. Rex Bristol, Mr. and Mrs. Loren Weilnau, and Mr. and Mrs. Wesley Moyer.

Oh please go down pins hopes Annette Gliatta

Date Koch aims for a strike.

Linda Lake and Jim Salmons head for the bowling

Lei, el Leve in and Rindy MuGuckin converse at the after promi

Saldwiches and dilliks are enjoyed by Duane Shafer and Bob Wilcox

Ponytails and greased hair abounded. Highwater slacks with white socks and pleated knee-high skirts were everywhere. Songs like "The Bunny Hop" and "Kansas City" were in the air. Was this a television show from the 50's? No, it was Edison's Sock Hop that rocked away on March 15 at 8:00. To go with the many features of this dance sponsored by the Sophomore class was the prime entertainment provided by the stage band members. It was appropriately named "Steve and the Students".

Members of the band were Kerry Westcott, Wayne McCoy, and Kathy Murray, trumpet; Dave Gillard, Trish Delamater, and Bonnie Garwood, trombone; Dave Chauvin and Karla Kamens, alto sax; Nancy Hart and director, Mr. Nick Georgi fanis, tenor sax; Carl Burris, bari tone sax; Kurt Hansen, tuba; Jeff Chauvin, drums; Kim Ground, piano and vocal; and Nancy Knittle, vocal.

A contest was held for pancake eating. Kurt Hansen won, eating thirteen pancakes in one minute.

Students stuff pancakes into their mouths

Students Jump across puddles searching for their cars

Mr. Rex Stanforth and Mr. Steven Schauer study a choice bolder

Archeologists can find many fossils among the bolders.

Students enjoy a party in one of the many Volkswagens.

Drivers Detect Novel Caverns

Spring is coming. Trees start to bud, while the parking lot is filled with knee-high Mud.

Parking lots can be a controversial subject in many schools. Some are very good, some respectable, and some down right awful. Edison's seems to fall between the latter two. If one has interests in collecting rocks, then this parking lot is just the place. If one tires in search for choice bolders embedded in the mud, one can descend into one of the cavernous potholes and join parties in student cars. If archeology is his bag, then he can join one of the many expeditions that travel about the lot in search of fossils found in one of the many excavation holes.

With a more realistic view imagine yourself walking out of the school and seeing your car blocked in by a swarm of Volkswagens, numerous vans, and a yellow jet. Next day an announcement may be heard over the intercoms telling all student drivers to park in straight lines.

Sen ors demonstrate their aeronautic ability

Teresa Flipse works on her needlepoint

Fortress Of Peace And Solitude

Pat Hall and Alexis Ross take a break from the school routine,

As one walked through the hallowed halls of Edison, one cannot help but notice the sounds of laughter, drifting from a certain section of the school. The lounge, a fortress of peace and solitude for students? On some days one may hear the sounds of football games and guys trying to out do each other in telling of their weekend exploits. If one walked down there, he might find girls crocheting or knitting.

The lounge has a radio for the students and is also furnished with study carrels and round tables for groups. The lounge is also equipped with small square tables for books and some vinyl chairs and couches. One wall is painted a vivid orange, and there are usually posters advertising school activities hanging from it.

At either end of the lounge are doors to the outside. On warm days in the spring and fall, students on the responsibility program are permitted to go outside as long as they stay near the building.

The lounge is liked by the students and is an incentive to get on the responsibility program.

The nuclear reactor has had its shielding canals drained and is in stand by condition

Many workers have moved from the community.

Closing Of NASA Effects Edison

The once busy radiation Hot Laboratory is now deserted and in stand-by

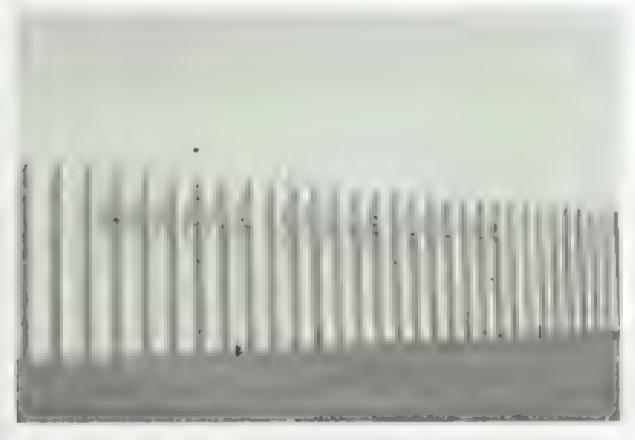

For many people in the Berlin-Milan area January 5, 1973 was a "Black Friday". It was announced that the NASA Plum Brook Station would be closed. The nuclear reactor was shut down, and its staff dismissed by July 1973. The remaining facilities and staff were scheduled for termination by July 1974. Congressman Charles A. Mosher tried to salvage some of the \$150 million installation

The school district has been receiving federal funding since 1964. This money has been given to the school to replace tax money lost by the federal facilities in the community and to reinburse the school for the increased enrollment. In the 1972-73 school year there were eighty-five students and \$16,000 was received. All federal funds will be terminated by the 1974-75 school year.

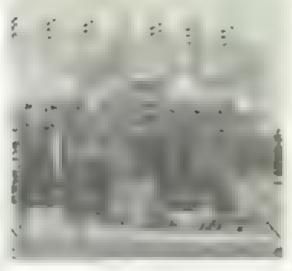

Community Is Growing

Families moving into the community buy houses.

Morgan Adhesives, a new business, helps pay for operating and mainteinance of the school

Berlin Heights is the future site of atomic power plant

Much of Edison High School's money used for operating and maintainance is from the many area businesses which contribute through their taxes. The increased amount over past years is proof that there is a growing community. Besides individuals whose taxes go to Edison, major firms such as Gould, Certainteed, Inc., Schlessman Seeds, Berlin Fruit Box Company, Columbia Gas, East Ohio Gas, Ohio Edison, Norfolk and Western R. R., Ohio Telephone and Telegraph, and Northern Ohio Telephone Company furnished financial support. For the fiscal year 1973, these area companies paid approximately \$182,000 in taxes.

Common sense would tell anyone that the more businesses in a
district, the more money a
school will receive from taxes.
Over the next several years, the
new business, Morgan Adhesives
and the proposed atomic power
plant in Berlin Heights will be in
operation. Their taxes added to
those which were already received will make Edison's school
district one of the "richest" in
the state for its size.

if the community grows at the present rate, new facilities for the school will no longer seem like a dream "light years" away.

School And Students Are

Don Opfer states, I've found my Volkwagon to be economical."

Students demonstrate the energy crisis by fifting twelve in a Wolkwagon

Car pools become popular during the crisis,

Floom temperatures drop to 68 F.

Effected By Energy Crisis

Gasoline is sparse and prices continue to go up.

Car pools, lowered thermostats, and sweaters in abundance were common sights in the winter of 1973-74. Why this change in the normal winter conditions? The answer was the energy crisis. Students attending school in the Berlin-Milan district did not seem to notice the crisis if they didn't remove their coats when they first arrived at school. Heat at the high school was turned down to comply with the President's plea for 68°F everywhere, and the boilers were shut down over weekends. Lights were turned off when not needed, which helped with the electric bill considerably. After school and evening activities continued, but with a cooler building.

Gasoline was a problem for both school and students. The cost of gas for the school nearly doubled. Because the school budget is based on tax funds collected, a tight situation was created. Field trips were not cancelled, but the number of pupil transportation pickup points were reduced. Shuttle buses were also continued using the philosophy that the many cars which would be used by parents transporting students used the same amount or more gas than one bus.

Choir Receives Rating Of II

Senior Date Share receives the National Choir Award from Mr. Georgiafendis, director

MR NICK GEORGIAFANDIS - B S. In Music Kent State University, Junior Class Adviser

Providing both the school and community with music, Edison High School Vasity Choir under the direction of Mr. Nick Georgiafandis, scheduled a year of numerous concerts.

The Choir and Band Christmas Concert December 19 started the contest and festival season. Seven members of the choir were represent ed in the Ohio Wesleyan Choir held January 26 in Delaware, Ohio. They practiced throughout the day for the evening performance which included a thousand voices. About one hundred Ohio schools participated.

February 2, twenty-eight Edison students were in the choir at the District 11 Musical Festival at Bellevue, Ohio. Mr. George Vance, professor of Choral Music at Kent State, was the director.

Edison High School had twentyone entries in the Ohio Music Asso
ciation Solo and Ensemble Contest
Saturday March 9 at Port Clinton
High School. The contest judging
was based on a scale one to five with
one being the highest. Fifteen entries
had a one or two rating.

The mid-winter concert was held March 10. Among the numbers included were "Sing a Song of Seasons", the required contest piece, and Randall Thompson's "Alleluia". At the district choir contest March 30 in Upper Sandusky the Varsity Choir received a rating of two.

A light spring pop theme was featured for the annual spring concert Sunday, May 19. Dale Shane, senior, was tenor soloist for the pop rock selection "Spirit and Celebration". A sextet of sopranos, Carmen Likes, and Debbie Hohman; tenors, Dale Shane and Kim Ground; and basses, Edwin Martz and Brad Phillips highlighted the climatic number "The Heavens are Telling", from the "The Creation" by Haydn.

The recepient for the 1973-74 Choir Award was presented to Dale Shane, senior.

Linda Burke views her ensemble dress.

New Group Developed

As Edison's Glee Club caroled at the Ohio Soldiers and Sailors Home December 19, the residents of the home showed their appreciation with their tears and smiles. Other performances during the school year were for the local Kiwanis Club, the Milan Eastern Stars, and the Mother-Daughter Banquet at the Milan Presbyterian Church. They also sang at each of the Varsity Choir concerts.

The Glee Club was a new organization at Edison and consisted of twenty three girls with Mr. Nick Georgiafandis as director. The group selected blue floor length dresses for their appearances. Under the direction of Dale Shane, senior, the Octet organized in January performed with the Glee Club for school concerts and organizations in the community.

Some of the most popular requested songs were "Proud Mary", "Something", and "Happy Together".

Membership was by audition and the final decision was made by Mr. Georgiafandis, director of music.

Stage Band Has Busy Year

Stage Band plays at the Fine Arts Festival

Having their own Fine Arts Festival and inviting bands from Mapleton, and Bedford proved to be the Edison High School's Stage Band's most important activity.

The Stage Band played a collection of Jazz-Rock tunes throughout the year and at the Fine Arts Festival May 3 and 4 in the high school auditorium.

On April 27 the band also entered Jazz Band competition at Belle-fontaine, Ohio.

They also played in the Berlin Heights auditorium for a motherdaughter banquet and for the Berlin Heights Harvest Festival Queen's contest.

Some members of the Stage Band, under the name of "Steve and the Students" performed at the sock hop and played various slections from the late forties, fifties, and early sixties.

The Stage Band was featured for a school assembly early in the year. For the annual awards day ceremony, May 30, the Edison Stage Band gave their final performance for the school year.

Playing a drum is hardwork", says Dr. his Billups

You wire in ito play it again?!"

Band Camp

Marching Band Camp was held August 13-18 at Camp Congers. Eighty members marched seven hours a day totaling thirty-five hours that week to prepare for the Ohio State Fair Marching Band Contest. Time was also given for recreation such as volleyball, swimming, baseball, and basketball.

The senior band members also had the dubious privilege of inducting the freshmen into marching band. They used various initiation techniques. On Monday the frosh were required to perform in a talent contest. With all their hands tied together in a circle they ate their noon meal Tuesday. Wednesday they were initiated with shaving cream. Eggs smashed on fresh men's heads was scheduled on Thurs day. Finally, Friday a beauty contest was held with every senior taking part. Right Guard was applied along with Vitalis and mud. Other things were used for shampoo

Water balloon fights took place al most every night. Many people ran out of clothing because clothes were either wet or lost.

Wednesday night was parents' night. The marching band performed a concert consisting of music such as "In the Mood" and "Peanut Vender".

Peaceful evening is enjoyed with friends.

Band Wins Mayor's Award Trophy

Beginning with Band Camp in August, the Edison Marching and Symphonic Bands started the 1973-74 year. Activities included playing at the Ohio State Fair and in the Milan Melon Festival Parade. They won the Mayor's Award Trophy for best entrant.

The band also played in the Berlin Heights Harvest Festival and Norwalk Christmas Parades. The marching routines at the football games were the main attraction at half time. They also played for all the pep railies.

The first performance for the Symphonic Band was the Christmas Concert December 19. It was followed on February 17 with the Mid-Winter Concert. In March the Contest Band entered the District II Band Competition at Upper Sandusky.

The John Philip Sousa Award was presented to Carl Burris and Dave Gillard May 7 at the Spring Concert.

The Music Department held their annual Awards Banquet May 14. Awards were given to first, second, third, and fourth year band members.

The band marched in the Milan and Bertin Heights Memorial Day Parades. Playing at the graduation exercises June 9 concluded their year's program.

Under the supervision of Mr. Rex Stanforth and Mr. Steve Schauer, two major productions were set on foot for this year's Drama Club.

The spring major production was the musical, ANYTHING GOES, a story taking place on an ocean liner in the 1930's. In this play, the music and drama depart ments combined their efforts to supply the high energy needed to make the play a success. The pit orchestra, consisting of various band members, and lead by music director, Mr. Nick Geografandis,

provided the music. The set and costuming were elaborate for this first musical presentation since Li'l Abner, This play involved many dance routines executed by the cast, under the direction of Mrs. Sara Allen.

Another presentation was a comedy entitled PILLOW TALK. This three act play consisted of a twenty-two member cast and a student director, Leanne Leveritt. The leading roles were captured by Terry Poling who portrayed a young single business woman and Dan Hutchinson a dashing playboy who shared the same tele phone line.

Some of the Drama Club's various fund raising projects included a dunking machine at the Milan Melon Festival and a year round project of collecting labels from various Colgate-Palmolive products.

Officers of this year's Drama Club included president, Laura Micheals: vice-president, Laurie Simpson; secretary, Debbie Hohman; and treasurer, Alice Young. This year's Drama Club consisted of eighty-seven members.

Speech Team Places First

Entering the Sandusky Toastmasters' Annual Speech Contest in early February for the first time proved profitable for the Drama Club. Along with placing first in the tournament, Edison walked away with the award for the top speech team in Erie County.

The toastmasters offered to donate ten dollars for every person from Edison entered. The money would be used to buy lights for the stage. With only two weeks to prepare for the contest thirty-three people went to show their talents

Various categories in the contest included Humorous Declamation, memorizing someone else's comedy routine. Taking another speech and memorizing it is Oratorical Declamation, Dramatic Declamation is taking a scene of a play, memorizing it, and using only one voice to act it out. The Poetry category involved taking a poem and reading it for effect. The Extemporaneous category was divided into boys and girls' sections. A contestant drew a subject and prepared a speech on it in forty minutes.

Mr. Rex Stanforth proudly displays trophies earned by team.

Laura Micheals sells a ticket to customer

Flex Heckelman helps at Harvest Fest val booth

Drama Club Buys Lights

To raise money for three dozen stage lights, the Drama Club participated in the Colgate Palmolive School Action Plan. This program involved the collection of labels and box tops off various Colgate Palmolive products. Members of the Drama Club involved other students and people of the community in the project. Labels and box tops were gathered, then sent to the sponsoring company. In return Colgate-Palmolive sent back a certain amount of money. The values of the labels ranged from two cents to thirty cents. To stir up enthusiasm a tape recorder was offered as a prize to the person who turned in the most labels.

Another project undertaken by this year's Drama Club was a dunking booth at the Milan Melon Festival. At the Berlin Heights Harvest Festival a booth was run by the group. The Drama Club hoped to reach a year-end goal of eight hundred dollars.

Dialogue Adds To Filmstrips

Officers Judy Einerson, Loren Heckelman, Kyle Hennings

Science Cob Glende Burns Kathy Murray, Robin Taylor Chuck Hiper Rendy Portin Gordon Mayor Taby Color

Students in the Science Club participated in various projects. Bulletin boards in the science area were changed throughout the year. Members of the Science Club planned and made up the boards with material relating to subjects in the department.

A major accomplishment for the year was the taping of dialogue on the silent filmstrips for the series on evolution. It included six strips ranging from "Theories Past and Present" to "Abiogenesis vs. Biogenesis".

A magic show using scientific methods for the elementary students in Milan and Berlin Heights was planned. Circumstances prevented the program from being presented.

Loren Heckelman was elected president. He was assisted by Judy Einerson, vice president, and Kyle Hennings, secretary-treasurer. Faculty adviser was Mr. Ted Stoll.

Club Participates In Recycling

Don't litter Keep America Beautiful.

This year the Ecology Club under the direction of Miss Ovidia Guaderrama kept up their endless fight for ecology.

The club started out this year's activities in the early fall with a twelve mile bike hike which took them from Milan to Olena and back. This activity was backed up with a trip to Toledo by bus to the Jaycee's Recycling Plant in the late fall. The club did not actually take part in the recycling, but loaded the recyclable materials onto trucks to be sent to the plant.

The final activity in which the club took part was conducted on April 24 in the Allegheny Mountains of Pennsylvania.

The club members felt that their year's efforts were for a winning cause, and those not graduating are looking forward to next year.

Fun To Try New Things

"Where there's a will, there's a way," This is how Spanish members cooled the punch pan when the refrigerator was full

Laura Walfrabenstein takes a glance at the recipe before adding the final ingredients.

Having an exchange student from Mexico plus dinners, parties, and hikes made up a fun filled year for the Edison Spanish Club. At the International Buffett held October 3, the cuisine and customs of eighteen nationalities were represented. All the various dishes were prepared by the club members. Three exchange students (from Ecuador) attending Norwalk St. Paul were invited. Sights and sounds were offered by Mrs. Robert Brimer, Mrs. Glen Hennings, and Mr. and Mrs. Wilbert Best as they shared their slides and personal experinces of Germany, Austria, Yugoslavia, Hawaii, and Mexico.

"Navidad", Christmas Spanishstyle brought a response respresentative of the Spanish Club from one of the students present, "It is always fun to try new things and we always do here." Featured were two pinatas stuffed with pounds of candy and gum. Other delicacies tried by the club included banana punch.

Spring's arrival brought with it the opportunity for even more adventures including an exchange Student Day at Put-in-Bay involving area exchange students with a Pot Luck Lunch and scrapes and scratches from bicycling and hiking.

Bake sales of cookies, cakes, pies, and breads were held to raise money for the year's adventures. Leading the Spanish Club's fifty members in their year packed with awakening experiences were Miss Ovidia Guaderrama, club adviser; Pat Best, club president, and Kyle Hennings, secretary-treasurer.

Revived Club Opens Book Store

Future Teachers of America, under the supervision of Mrs. Marjorie Lindecamp and Mrs. Sue Holder, sponsored a bookshop during the lunch modules for the student body's leisure reading. This project was also the organization's only money making activity. The bookshop included a wide variety of books such as "Chariot of the Gods", "Space Odyssey", classics such as "Lost Horizon", The Great Gatsby", and other novels that would appeal to high school students.

The club introduced the members to the work of the regular teaching profession. During study halls, members were permitted to go to the elementary schools in Milan and Berlin Heights to work with children and teachers. Students in this program had to provide their own transportation.

A requirement for membership in the newly revived FTA was a good point average.

The members selected for offices were Linda Puskarovich, president; Lani Brimer, vice-president; Pat Best, secretary; and Robin Taylor, treasurer.

According to faculty adviser, Mrs. Lindecamp, the students enjoyed themselves, and they learned quite a bit about the teaching profession.

FHA Have Pizza Parties

Officers - Lani Brimer, Lucy Valentine, Pat Best

Future Homemakers of America is a social club. Members are required to have sewing and cooking abilities. Eighty girls became members and participated in the year's activities.

At the annual Christmas Party each girl brought a gift to exchange. The advisers, Miss Linda Friend and Mrs. Rosemary Finnen, were presented with dolls. They were made by the mother of Lucy Valentine.

During the school year the members put their cooking talents to work and had two pizza parties.

Lucy Valentine was elected president. Her officers were Pat Best, vice president; Lani Brimer, secretary; and Lori Westcott, treasurer.

Student Council Plans Assemblies

Assembly programs proved to be the major work of the Student Council. During the fall a band called the "Free Fare" performed before the student body and for an evening community concert.

At the Christmas party the students enjoyed movies and each class had a raffle. Patty Sanders, sophomore, won a puppy. Admission was canned food. It was later distributed to the needy.

Late in the spring there was a March of Dimes assembly to explain the details for a twenty mile hike to raise money for the crippled. Many of the Edison students participated.

The Homecoming game activities brought spirit into the high school. The committee chairman was Cindy Gliatta. Patty Brunow and Mark sisson assisted her.

May 25 the Sadie Hawkins Dance followed the successful Dog Patch Day.

Other assemblies throughout the school year was the school Stage Band concert presented by the junior council members and Otto Schmidt, gymnast, sponsored by the senior representatives.

The Student Council was advised by Mr. Mike Schifer and Mr. William Muthig. Officers of the council were Dan Hutch nson, president, Patty Hall, vice-president; Jaquie Foos, secretary; and Mark Sisson, treasurer.

Board Reviews

Teachers at Edison High School evaluated students for the responsibility program. The Responsibility Board reviewed the probationary and appeal cases.

Each student was rated with a Yes, No, or Maybe. Yes, meant the student was capable of independent study. No, indicated he was not. When a student showed possibility with reservation, he was given a Maybe. An upper-classman was permitted one No with the majority of evaluations being Yes. First semester freshmen could not have any No's and the majority evaluations had to be marked capable.

A probationary student had the same number of Yes's and Maybe's or had a majority of Maybe's and no No's.

After each evaluation period students could appeal to the Responsibility Board if they questioned the evaluation. The board consisted of four teachers and six students.

Mr. Muthig and Mrs. Holder review student evaluations.

Club Has 2-2-1 Record

Chessmen were moved across the boards of Edison's Chess Club under the watchful eyes of adviser, Miss Shirley Oney, Many matches were held in homes and at hosting schools.

Matches were held at Edison with Clyde and Huron. They lost two games to Huron and won two games over Clyde. When the club members battled with St. Mary's players, the result was a tie. Each school won and lost four games.

The team's record for the year was two wins, two losses, and one tie. Stanley Weilnau with a total of three wins and no losses had the best playing record in the club. Miss Oney commented that the Chess Club had done a good job.

Club Takes Hunter Safety Course

Sheree Stiles fill blocks with ammunition.

Rifle Club, under the direction of Mr. Donald Day and Mr. David Grimm, began the school year with a Hunter Safety course. It was taught by Mr. Al Kaefus, game warden. The two day course was concluded with a test to certify successful completion. A patch was given to all safe hunters to be worn while enjoying the sport.

Practice was held two nights per week. New members under the guidance of Mr. Grimm developed their skills Tuesday evenings. Second and third year members practiced Wednesday evenings with Mr. Day. Members brushed up on their accuracy in the four shooting positions of prone, sitting, kneeling and offhand.

As the skills in handling and shooting improved, members were picked for the Rifle Team.

Directing the club as president was Bob Wilcox. The office of vice president was held by Tom Klinger. The responsibility of the tedious secretary's book was accepted by Trish Delamater. Watching the treasury was Jim Garwood.

Awards were received by FFA members. The livestock judging award was given to the team of Mike Stoll, Ken Osthermer, and Brian Boos. They placed 61 in state competition out of a field of 229.

The soil judging team of Frank Hill, Mark Suhanic, and Nancy Knittle received a third place in county judging and qualified for district competition. The dairy judging team included Kathy Malone, John Holman and Chuck Morgan.

Two delegates represented Edison at the Ohio Future Farmers of America state convention held in Columbus. They were Charlie Smith and John Hohman. Bev Weilnau was a member of the State FFA Chorus. Representing Edison in the FFA State Band were Kathy Malone, trombone, and Dave Hupfer, trumpet.

Mr. Robert Calhorn from Production Credit Association in Norwalk was the speaker for the annual FFA Banquet April 17. Awards won during the year were also presented.

Elected officers were Jim Garwood, president; Ed Knallay, vice president; Charlie Smith, secretary; Bonnie Garwood, treasurer; and Mike Wetzel, sentinel. Faculty adviser was Mr. Bruce Thayer.

Senior Member Breaks Leg

Snow Trails in Mansfield, Ohio was the distination of the Edison skiers on Wednesday evenings. Besides ski equipment students padded with layers of clothing were bused to the slopes, Also a stick of Chap-Stick of every flavor could be found in every pocket.

Falling was a common occurrence by teachers and students alike. Usually no one was injured, but that wasn't the case for Kathy Buehrle, February 20. She broke her right leg. After two weeks in the hospital she was speeding down the school halls on her crutches.

Freshmen and sophomores who joined Ski Club were Jeff Mortenson, Randy Deehr, Sherry Easler, Kris Buehrle, Karen Buehrle, and Patty Sanders. Members from the Junior class were Mamie Russell, Annette Gliatta, Laura Wallrabenstein, Pat Best, Lani Brimer, Kim Gnecco, Stu Eastman, Terry Poling, and Laura Micheals. To complete the twenty-one members were seniors, Kathy Buehrle, Cindy Gliatta, Kyle Hennings, Frank Hill, Dave Peabody, Tom Sanders, and Tim Rogers.

Joining the students on the slopes were faculty members Mrs. Lavonne Satterfield, Mr. Jerry Osborne, Mr. and Mrs. Mike Schifer, Mrs. Shir ey Oney, Mr. Carro I Sanders, and Mrs. Mary Ann Swineford, the bus driver

Seniors Win Over Faculty

Mr. Dave Kile and Dave Dunham wrestle over the basketbalt.

As the Senior Class trip neared its departure date, it was discovered that class funds were at an all time low. To compensate this deficit and change red ink to black, the officers sponsored a donkey basketball game through Shaw Brothers, Inc., an athletic game organization from Pennsylvania.

The seniors challenged the faculty on March 28, 7:30 P.M. in the gymnasium. The winning score was 20-8 in favor of the seniors. Faculty members who added their talents to the game were Mr. Nick Georgiafanis, Mr. Wm. Muthig, Mr. Wayne Roth, Mr. Dave Kile, Mr. Tom Gfell, and Mr. Rex Stanforth.

The Athletic Boosters gave all the profit from the concession stand to the seniors. The money realized from the game and refreshments made the class trip to New York City a reality.

Class Visits New York City

Laurie Johns and Kyle Hennings weit for their suitcases to be checked.

New York! New York! The city was an exciting and new experience for sixty members of the Senior class April 18-20. Among the many Manhattan sites viewed by the group were Greenwich Village, Chinatown, Times Square, Rockefeller Center, the Statue of Liberty, American Stock Exchange, NBC Studio, the United Nations, the Bowery and Wall Street.

Thursday's evening of glamor ended on a note of music and with the attendance at the musical "Lorelei" starring Miss Carol Channing at the Palace Theater. To everyone's surprise, Miss Channing asked to see the seniors after the show.

Tad's Steak House was the scene for dinner before visiting Radio City Music Hall the following evening. The first run movie "Mame", the Rockettes, and the Easter Show was seen in an enormous and immense auditorium.

New experiences were around every corner! People were everywhere. A one block high rise apartment building housed 33,000 people. This would hold the entire Berlin-Milan Community with room to spare. Taxi cabs, subways, and tired feet were the methods of transportation.

The trip started out with a flat tire in Pennsylvania. Some students helped change the flat, and they were on their way. Records of lack of sleep were made by many. For an example - 6.5 hours of sleep in 97 hours.

Exchange Students Arrive

Mague Abedrop and Patty Hall discuss class

A bertia Puppi relaxes in the student lounge

Students of Edison High School hosted two exchange students during the year. Mague Abedrop from Saltillo, Mexico, started the school year at Edison. The second semester she transferred to EHOVE vocational school to study commercial art. Enrolling in January was Alberto Puppi from Marilia, Brazil, South America.

Maque's main interest was art and her outgoing personality helped her to make friends wherever she went. She described America as "very different, the life style, the people, their way of doing things. The people are much more interested in their homes here and do many of the things servants would do in Mexico."

Alberto's interests varied. Race cars rated high with him. His comments on the school were "I like it, but there are too many classes. In Brazil school is only four hours long." He feels the exchange program "is generally good because people from other countries can learn of different ways of life, and then go back and teach it to others." Alberto hopes to enter the field of civil engineering in Brazil.

Maqué Abedrop is Edison's exchange student from Mexico.

Counselors Guide Students

Mrs. Donna Sisson, guidance counselor

Mr. Mike Schifer, guidance counselor

Guidance counselor, Mrs. Donna Sisson marked her thirteenth year in the Berlin-Milan school system. Responsibilities were shared with Mr. Mike Schifer's who completed his third year.

Mrs. Sisson obtained her Bachelor of Science from Bowling Green State University and her masters from the University of Toledo. She was the senior class adviser and accompanied them on their class trip to New York City. Her hobbies included sewing and spectator sports.

Mr. Schifer was a graduate of Capital University where he received his B.S. in Education. Ohio State University awarded Mr. Schifer his masters. He was the adviser of the Student Council. The Council sponsored many informative assemblies and studied Edison's system of student government and revised the constitution. Mr. Schifer's extra curricular activities included cycling, golf, basketball, and softball.

School Prepares For Evaluation

Board Members, Mr. Herbe to Affelsman, Mr. Frank Garwood, Mr. Glen Hennings, Mr. Max Kruinge, Mr. Robert Stellin

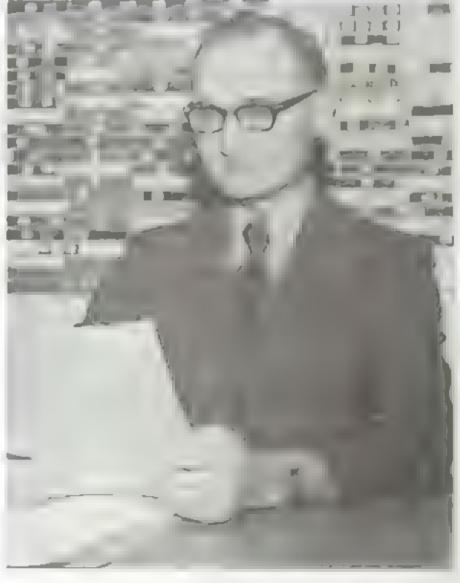

1974 Board President, Mr. Robert Stein

Many different aspects of education occupied the school administration and the Board of Education during the year. A committee of teachers, students, and administration met in the winter months to appraise the high school for the North Central evaluation.

A two mill renewal operating levy was passed in the November election. Previous to the election several members of the administration and Board spoke to community groups acquainting them with the school district's financial situation.

The completed football field and bleachers were dedicated and presented in September. Former president, Glen Hennings, accepted for the Board of Education and school.

Meetings were held once a month to transact business pertaining to the operation of the schools in the Berlin-Milan District.

Superintendent, Mr. Charles Lindecamp

Clerk Mr. J. R. Wallrabenstein

Principal, Mr. Carroll Sanders

Assistant Principal, Mr. Charles Hall

Secretaries Are Constantly Busy

Mrs. Ruth West In ghischool secretary

Mrs. Diane VAnBenschoten, English secretary.

Mrs. Ruth Gurney, study hall monitor

Paulete Byers, office aide, uses the xerox copier

Edison High School could not exist without the expert help of the secretarial staff and the office aides.

Mrs. Ruth Weit was a walking, talking directory in the high school office. Students don't think twice about going to her with any problem or question. She knew the answer. With these constant interruptions, it was a wonder any work was done.

Mrs. Diane VanBenschoten or "the lady in the English office" as she was known when she began working at Edison, types study sheets, tests, and anything else which needs to be typed. She was truely a girl Friday to the English Department.

Fulfilling the duties of study half monitor in the cafeteria was Mrs. Ruth Gurney.

Edison Teachers' Hobbies Vary

Coaches Taylor and Osborne head for the press box

A break from his classes, Mr. Dave Kile plays some footbail

An unusual scone Mr. Dave Gr.mm uses the typewriter

Besides the daily routine of teaching from September to June, teachers have other interests and hobbies. Coaches, timekeepers, and advisers have been some of the traditional extra-curricular activities. From faculty surveys, some interesting facts have emerged.

Mr. Tom Ferguson's hobbies are golf and fishing. Mr. Jim Wittington also enjoys these hobbies and is a carpenter during the summer months. Mr. Mike Schifer occupies his spare time with cycling, golf, basketball, and baseball. Mr. Steve Schauer enjoys baseball and cycling along with stereo-high fidelity equipment and music.

The new teacher this year, Miss Shirley Oney's hobby is decoupage. Librarian Mrs. Jacqueline Roscoe interests are in music, reading, and sports. Sewing and spectator sports are guidance counselor, Mrs. Donna Sisson's special interests. Miss Sophia Purceil enjoys dogs and gardening.

Many teachers enjoy traveling and have taken some interesting vacations. In the 1973 summer Miss Phyllis Frost traveled from beach to beach along the east coast and visited New York City. Miss Linda Friend went on a four week camping trip to California. A second camping trip to the mid-west to Yucahan, Mexico was taken by Miss Ovidia Guaderrama. Besides restoring antiques, Mr. Dave Grimm spent four weeks on the Atlantic coast camping and studying marine life in Virginia. Mr. Nick Georgiafandis spent time in Florida but also en oys bowling, gardening, tennis, and ice skating.

Mrs. Martha Vartore, a Mr. Tom Ferguson, Mr. Mike Schiller, and Mr. Charles Hall prepare for the year during summer work days.

MRS BARBARA HUBER - School Nurse

Medical Help Serves Students

Traveling between the three schools in the Berlin-Milan District was Mrs. Barbara Huber, school nurse. Her duties included treating students for minor medical problems to home visits for long illnesses. Hearing and eye tests have been given when indicated.

Mrs. Huber received her nurse's training from Johnston School of Nursing in Elyria and had fourteen years experience. She was a graduate of

Milan High School.

Teachers and the school nurse, Mrs. Huber, referred students to the Speech and Hearing Therapist, Mrs. Virginia Bell. Through conversation Mrs. Bell listened for problems and proceeded to work on them. Hearing tests were given in some cases. Progress reports were sent home and there were parent conferences.

All first grade students were screened for possible hearing and speech problems. High school students can refer themselves for testing. There was a waiting list for those who needed therapy.

Mrs. Bell earned her B.S. in Education from Bowling Green State University. She has worked in the school system two and one half years.

Development of a comprehensive program which involved screening to identify students with difficulties was the primary responsibility of the school psychologist, Mrs. Margaret Jenkins. Testing programs designed to assist the school to determine appropriate educational options for students were used.

Upon the recommendations of teachers, principals, and guidance counselors standard psychological tests were given to evaluate the potential and IQ of the students. The results of these evaluations determined if the students would be in the E.M.R. program. Each student was tested every two years to determine if he should continue in this unit.

Scheduled parent and teacher conferences, child study, psychological report and planning were some of Mrs. Jenkins functions.

Employed by the County School Board, her work included all schools under the county board. Mrs. Jenkins was a member of Lorain City School Board.

Cafeteria Ladies Provide Lunch

MRS LELA DOERNER Head Cook

MRS. DAISY MOWRY

Students enjoy treats from the milk shake machine

Mrs. Corrine Gardner, food service manager for the Berlin-Milan Schools, had three six-year veterans cooking for the high school students and faculty. It was their third year in the new building. Mrs. Lela Doerner, the head cook, was assisted by Mrs. Daisy Mowry and Mrs. Helen Meyers. Additional members of the staff were Mrs. Janice Mc-Kinnon and Mrs. Virginia Shane.

To have the cafeteria-type selection of food ready by 11:00, the ladies began their day at 7:30. They served until 12:30, three half hour lunch modules.

All the schools in the district received government subsidies, but the high school. The cafeteria has been self-supporting. Less waste was found when the students made their choices from the menu.

"I enjoy working around kids, it keeps me young", Mrs. Mowry stated. Mrs. Meyers agreed with her.

TEAMWORK

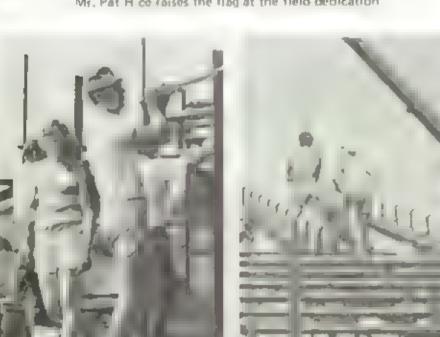

Mr. Pat R co raises the flag at the field dedication

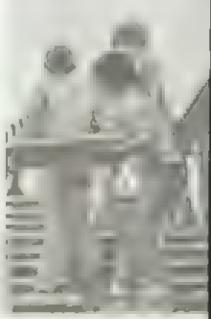

October 17, 1971 the communities of Berlin Heights and Milan dedicated the new Edison High School building, September 15, 1973 the Athletic Complex was dedicated. This was the climax of several years of planning and hard labor by many parents and students, "A New Field ... A New Beginning" was the motto of the 1973 football season. Before the Edison -Wellington game, Mr. Alex Ross, complex chairman of the Athletic Boosters, presented the field to Mr. Glen Hennings, president of the Berlin-Milan Board of Education.

With the Edison Marching Band playing the national anthem, the American flag given by the Milton Shane family, was raised by mem bers of the American Legion. The flag pole is in memory of Mr. Milton G. Shane. He was a 1943 graduate of Milan High School where he played basketball and baseball. When the actual work began on the football field, he ran the built dozing equipment. Mr. Shane was an ardent supporter and spectator of local and school sports

After the Athletic Complex was planned and approved, fund raising projects were conducted. Money received paid for materials needed for the field and a one thousand seat stand. Students and adults volunteered their labor and machinery to level, grade, and seed the new football field in the fall of 1972. The stands were assembled in August 1973. Many last minute items such as the press box and scoreboard were completed the week prior to the first home game of the 1973 football season.

The football field and stands are only a portion of the Athletic Complex, Future plans in clude a cinder track around the football field A baseball diamond and tennis courts will complete the Athletic Complex at Edison High School.

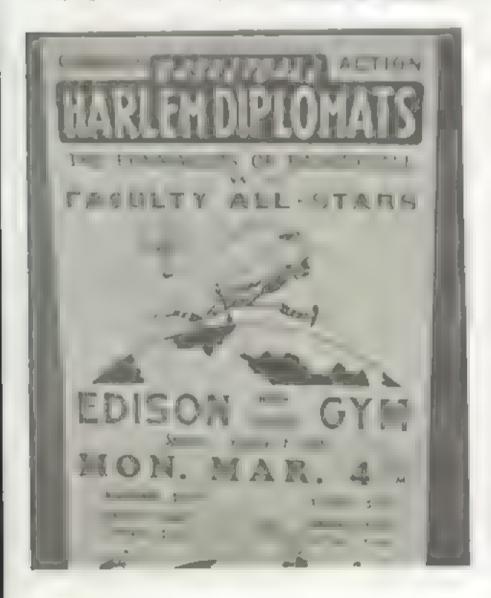

136/Athletic Complex

E Club Sponsor Diplomats

Row one Ed Putnoky, Bob Wilcox, Jim 1 mons, Dan Lake Tom Sanders, Tom Moon Row two. Jeff Chauvin, Don Opfer, John Bustaller Russ Bristol Terry Cheesman July 1 Row three Dave Gillard, Mike Lewis, Scott Schaelfer, Tom Klepper, Mike Smith Ken Springer Row four Ranky Barker, I in high second second

Five hundred dollars in profit was made by the Varsity E Club from their major fund raising project for the year. March 4 the Harlem Diplomats played against the Edison faculty. To promote additional sales the Diplomats sold tickets at the middle and high schools during the lunch periods the day of the game. Many antics were used to sell additional tickets. They were assisted by baskethall players Dale Shane, Steve Crecelius, and Tony Robinette.

The faculty members who played were Mr. John Feyedelem, Mr. Jim Whittington, Mr. Jerry Osborne, Mr. Tom Gfell, and Mr. Tom Ferguson. They were no match for the Diplomats and their many bags of tricks. The game and entertainment ended with the Diplomats winning by twenty-five points.

The money was used toward paying off the universal weight machine that was purchased for the Athletic Department. It is also available to members of the community who are interested and need the exercise program the weight machine offers.

Elected officers of the Varsity E Club were president. Dan Willis; vice-president, Scott Schaeffer; secretary, Tony Robinette; and treasurer, Mike Smith. Faculty adviser, Mr. Dave Kile, was assisted by Mr. Jim Whittington.

Boys' Sports

Sports have played an important role for the student, the athletic department, and the school. For the school it has been a good way to be recognized by the public. They were made aware of other organized activities in the school system, such as the band and the cheerleaders. Competitive sports have made the spectators closer to the student body and to the administration.

When the student accepted the responsibility of being an athlete, his character is changed mentally, emotionally, and physically. He learned to compensate for his short-comings and disabilities. Learning to cope with unexpected pressurers, the athlete developed maturity.

To achieve success in any given sport, the individual put in many long hours of practice. What seemed to be the longest two weeks of the year was football practice. Constant drilling and the developing of skills helped to perfect a winning team. Wrestlers in training sacrificed the weight gaining foods to maintain their weight class.

Athletes learned to accept defeat graciously and to respect teammates, opponents, officials, and spectators. They also developed discipline. This has been achieved through dedication, sacrifice, and the guidance of their coaches.

Coach Jerry Osborne spray painting Edison goal post

The new one thousand seat stand was filled to capacity at the Edison Wellington football game

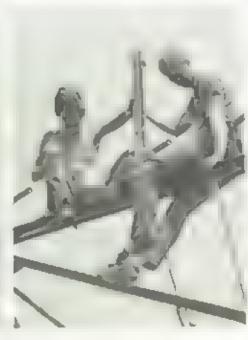

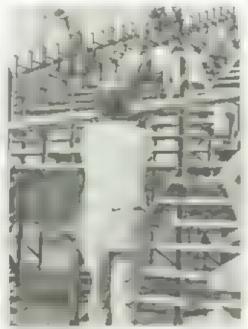

Mr. Alex Ross, complex chairman, presenting field to school board president, Mr. Glen Hennings.

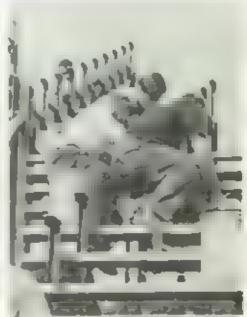

A New Field . . . A New Beginning

In August, the one thousand seat stand was assembled by students and adults

'Man, I don't believe rt!", exclaimed John Raymond after the St. Paul game.

Football 1973

Edison High School finished a respectable season with a resounding 20-18 win over the undefeated St. Paul Flyers.

In their opening game they ran into a surprisingly strong Columbia Station team, but racked up a 20-14 victory when Terry Cheesman returned a blocked punt for a touchdown.

The next game was against the powerful Wellington Dukes team. Edison was sparked by the passing of quarterback Jeff Geason and fullback Dan Lake, and, with the score 28-22, Geason faded back and hit sophomore, Dale Koch with a pass at the thirty. A fifteen yard penalty moved the ball to the fifteen, where Lake caught a twelve yard pass. With twelve seconds left, Geason sneaked it across to tie the game. The try for the extra point failed and the game finished in a 28-28 tie.

Against Mapleton, Edison had a rough first half, struggling to a 6-6 tie, but came back to defeat them 25-6

In the next game the Chargers jumped out to a 21-0 lead over the South Central Trojans. Substituting with reserves early, the Chargers dumped South Central 21-0

The Orange and Blue suffered their first defeat at the hands of New London, 21-7, with the only Edison touchdown coming on a run by Dave Dunham.

The Edison team came back to defeat the Black River Pirates 36-0. The highlight of this game was a thirty-seven yard field goal by John Bostater.

A loss to Monroeville 6-26 ended the Chargers title hopes. The only Edison touchdown was a fifty-three yard run by Jim Salmons.

With an easy victory over Western Reserve 34-0, the Chargers met the state-ranked and undefeated St, Paul Flyers. The Flyers quickly took the lead 6-0, but Dave Dunham then ran a punt back for a touchdown. John Bostater kicked the point. The Flyers then scored twice to lead 18-7 at the half. In second half Edison scored again and trailed 13-18. In the closing minutes of the game Dan Lake took a pass from Jeff Geason and went fifty-five yards for a touchdown. The kick was good and Edison defeated St. Paul 20-18 to finish with a 6-2-1 record.

Successful Season

Under the guidance of first year Coach Frank Sberna, the freshman football team wound up with a 5-1-1 record. The frosh started with a flurish, then had a little let down, and back up again. The young Chargers were victorious over Huron, Mapleton, Willard, Columbia, and Norwalk. They tied the New London freshman team 6.6. The team's only loss was a 6-12 defeat to Clyde. The freshmen completely dominated the other teams point wise. They scored one hundred thirteen points compared to their opponents eighteen. They registered five shutouts of their seven games. Jeff Spradlin, the leading scorer, made thiry-eight points. The Chargers, undefeated at home, fielded a well balanced offense between the running and passing game. In the home game against Columbia, Edison rolled up to a 21-0 half time lead before coasting to a 28-0 victory over the Raiders. Most of the credit for the good season goes to the defense.

Wrestling 1974

Scott Schaelfer is congratulated by team members after his victory over his Nor-walk opponent

Dan Willis this year was the only representative Edison had in the State Wrestling Tour nament in Columbus, Ohio. Willis, wrestling in the 170 pound weight class, did not fare well, losing his first match 7-9. This ended his chances, but he still wound up with a 25-2 record

As a team Edison had another winning year. They finished second in the Edison In vitational, third in the Vermilion Invitational, first in the Firelands Conference for the fourth straight year, third in the sectional, and twelfth in the district tournaments. In dual meets they had a 6-2 year with the wins over Woodmore, Norwalk, Rossford, Brook side, Port Clinton, and Huron. The loses were to Vermilion and Bellevue.

From this year's sectional, Edison sent seven boys to the district, all of them being seniors. They were David Gillard (115), Mike Lewis (122), Dave Dunham (135), Ken Springer (148), Dan Willis (170), Terry Nolan (178), and Terry Cheesman (188). Of the seven, Willis Placed second, and Nolan and Dunham placed fifth.

Dan Willis took home the M.V.P. award, while Ken Springer received the Dave Reer Pride Award. Dave Dunham received the "take-down" award and Terry Nolan, "most pins" award.

Edison Reserve Wrestlers had another season under coach Wayne Roth, In addition to posting a 3-1-1 record in dual meets the Edison Chargers placed second in the Monroeville Reserve Wrestling Tourney and in the Bellevue Reserve Wrestling Tourney. At Monroeville the Chargers placed second with four individuals taking first. They were Mark Mason (98), Guy Burdue (138), Pete Brunow (145), and Ty Martin (155). Edison also had a runner-up finish at Bellevue, second behind a tough Sandusky team. At Believue, the Chargers carted off two firsts. They were Matt Stoll at 112 and Guy Burdue at 158.

In dual meets Edison victories came over Woodmore 47-21, Vermilion 39-25 and Bellevue 48-19. The tie was with Norwalk 32-32. The loss was a heart-breaker at the hands of the Huron Tigers in the last match of the year. The score was 31-33.

Basketball 1973-74

Edison Charger Basketball Team went through a dismal 2-17 season, but did show steady improvement. Working younger players into the lineup, the Chargers played exciting basketball. The highlights of the Edison season was a stunning comeback victory over the New London Wildcats 62-61. The Chargers were behind the entire game until Steve Crecelius made the winning basket with two seconds left in the game. The Chargers outscored the Wildcats by eleven in the final quarter to record the upset.

Other highlights of the season included the near upset of the state ranked South Central Trojans in which Edison fell six points short 49-56. Edison's first victory came over Black River by a score of 67-55 in which clutch foul shooting played a major factor. Over a nineteen game season the Chargers scored 997 points for a 52.6 average compared to the Charger's opponents 1318 for a 69.3 average. The leading scorer for the Chargers was sophomore Tony Robinette with 208 for a average of 12.2. Robinette also led the field goal and free throw percentages with 42.2 and 75.5 respectively. Junior Jeff Geason led the Chargers in rebounds with 279 for a 14.6 average. He also won the M.V.P. award. Edison is losing four seniors Rich Mills, Dan Lake, Dale Shane, and Steve Crecelius from a twelve man varsity team.

Reserves Win

Edison's reserve basketball finished with a 117 mark, including 10-4 in the Conference. All four losses came to the teams that Edison had defeated earlier

Reserves got off to a blazing start, winning the first six games followed by a three game losing streak, and finished the season winning, losing, and so on

Stats include the team's offensive at 47.9 points per game and 857 points overall. The defensive average was 39.8 points per game and 716 points overall. Individual statistics were field goal shooting guard Mark Sisson 44-77 or 57.1% and forward Jeff Spradlin 64-125 or 51%; free throw shooting forward center Wayne Raboin 25-33 or 75% and Mark Sisson 13-18 for 72%

Rebounding was led by Wayne Raboin with 201 caroms for an average of 11.2 per game, and Jeff Spradlin hauled in 101 rebounds for an average of 5.6 per game. The leading point producers were Wayne Raboin 193 points and a 10.7 points per game; Jeff Spradlin, 158 points and a 8.7 points per contest; Todd Taylor, 143 points and Mark Sisson, 102 and a 6.3 average

Edison High School baseball team finished the season with an 11-8 record. The opening game with Norwalk proved to be close with each team being held to four hits. A home run by the Norwalk team gave them a 0-2 victory.

In a doubleheader with Vermilion the Chargers split a twin-bill pulling out a 3-2 victory in the first game and dropping a 0-4 loss in the nightcap.

The Sandusky Blue Streaks invaded the Chargers' home field to open the Streaks' season. The game turned into a slugfest with the Blue Streaks connecting on fourteen hits to the Chargers' ten. With the odds against them they pulled out the biggest victory of the season winning 11-10. The New London Wildcats out hit the Edison Varsity Squad, but they still came out on top 9-5.

Jim Salmons went the distance against the Willard Flashers for an 8-6 decision. The Chargers' hitting came through with three doubles and four singles. Jim gave up five hits in the victory.

Edison won over St. Paul and Western Reserve 13 6 and 13-2 respectively.

The Chargers then suffered a disappointing 4-7 defeat from the defending Firelands Conference champions, Monroeville.

Visions of an appearance in the State baseball tournament vanished in the sectional semi-finals. Edison lost to Willard 10-11. In the first inning the Chargers gave up ten runs. They came back with one in the third, four in the fourth, and five in the fifth inning. Willard scored an unearned run in the fourth which lost the game.

Edison won from St. Paul 12-5 and Western Reserve 5-1. The team again faced Monroeville. Three errors and four unearned runs cost them the game 2-6. This eliminated Edison from the Fireland Conference race.

Bostater Places At State

Tom Sanders concentrates before his vault

John Bostater, junior, was the first track member from Edison High School to go to Columbus for the state track meet. He placed third for shot-put with a final toss of 55'2".

School records were broken. John Bostater at district set a new record of 55'11½" over 51'1" for shot-put. In the 440 Jeff Chauvin set a new record of 53.0 over 52.7. Tom Sanders vaulted 12'8" at Western Reserve breaking his own record of 12'6". The mile relay team of Gordon Moyer, Tony Dellisanti, Jeff Chauvin, and Don Opfer set a new time of 3-34. The old record was 3:576.

Leading the team in scoring with 170 points was John Bostater with Jeff Spradlin, Don Opfer, Jeff Chauvin, and Tom Saunders following respectively.

Voted the Most Valuable Player was Don Opfer.

A new ruling last year permitted girls in boys' sports. Appearing on the track team was Karen Buehrle, Candy Bishop, Linda Burke, and Sheree Stiles.

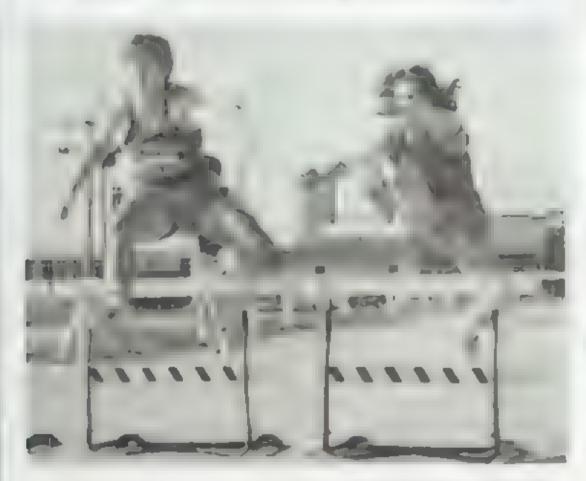

Head coach Mr. John Feyedelem was assisted by Mr. Howard Yunghans.

Golf Team Makes Improvement

Go. Team Bruine Deerner Chuck Morgan, Mark Sisson, Brithard Hemichak, Mark Stratton, Buss Bragg, Larry Franklin, Rick Harker, Oakli Coach David Grimm

Rifle Team Places Fourth

Edison Rifle Team was in second place for the first three matches. The last three matches proved disaterous when the team dropped into fourth place

Some of the matches were in Milan at the Milan Elementary School. The majority of the matches were held at Oak Habor Conservation League. Bob Wilcox, Tom Klinger, Jim Garwood, Jerry Drake, Gordon Moyer, Scott Burris, Brian Willis, and Barb Hillis were the regular match members.

First place honors on the A Team went to Bob Wilcox. Darrell Maines took second place on the A Team, On the B Team, Jerry Drake came in first and Barb Hillis took second place.

Elected officers for the school year were president, Bob Wilcox; vice president, Tom Klinger; secretary, Patricia Delamater; and treasurer, Jim Garwood. The instructor for the Rifle Team was Mr. Donald Day. He was assisted by Mr. David Grimm.

Bob Wilcox distributes ammunition and Trish Delamater grades targets

Not only was it a good year for the boys' sports teams at Edison, the girls' volleyball and basketball teams also had a good year.

Mrs. Martha Vartorella coached the volleyball team which went undefeated. The Cagerettes played all the schools in the conference except Monroeville and Mapleton. The team placed second in the Monroeville tournament.

The volleyball team included Linda Lake, Melinda Booth, Bev Weilnau, Scarlet Marshall, Diane Moyer, Carmen Likes, Ann Heckelman, Ludie Ezell, Linda Burke, Karen Buerhle, Sue Heckleman, Bonnie Garwood, Robin Taylor, Micheyle McIntyre, Annette Gliatta, and Vicki Lehman.

A successful year heightened the spirits of the basketball team as they placed second in the conference with only one loss of eight points to South Central. They played all the conference teams except Mapleton.

New legislation allowing girls to participate in non-contact sports formerly reserved for boys drew a few girls onto the track in the spring.

Ann Is National Champion

Annuments better her record

Ann winds up at a Sandusky meet

Another throw over forty feet is achieved.

Ann Heckelman, senior, first became interested in track in 1971. A former teacher, Miss Ann Kolodzik helped to stimulate Ann's interest in track and other sports. She was a member of the girls' track team which was organized by Miss Kolodzik.

Ann became a member of the track team organized by Mr. Bill Ream of Norwalk. An x-ray technician at Fisher Titus Hopsital, he has trained and guided his team members for competition in the A.A.U. regional, state, and national tournaments. For her javelin toss Ann became the A.A.U. 1973 National Champion. She was 1973 State Champion in the shot-out and discus events.

Training started in late April for Ann. She practiced and worked every evening with various calisthenics, running, and special exercise programs before she began to work on her distance. Her practice sessions were held usually at Whitney Field, Edison, or her home and continued through the summer into the fall.

Ann intends to continue developing her athletic prowess and plans to compete at the state and national levels. Successful competition would lead to a membership on the 1976 United States Olympic Team.

Volleyball Team Is Second

It was an undefeated season for the Varsity Volleyball Team. They met in match play with St. Paul, Western Reserve, Black River, Monroeville, and New London. Two out of three games must be won for a victory. Several times the team won the first game, lost the second, and came back to win the deciding game. The St. Paul game proved that the girls worked well under pressure. The setting up of the ball for returns demonstrated the team's ball control. Linda Lake was an asset for spiking when she was in the front row, making it difficult for a return by the opposing team.

October 29, the team placed second in the Monroeville Tournament behind St Paul. Western Reserve, Black River, Willard, and Monroeville came in third, fourth, fifth, and sixth respectively.

Team members were Ann Heckelman, Linda Lake, Diane Moyer, Pat Hall, Joanne Stein, Cindy Gliatta, Kathy Buehrle, Ann Frankboner, Sue Heckel man, Debbie Hoag, Bev Weilnau, and Melinda Booth

Winning three out of five the Reserve Volleyball Team gained experience. Coach Martha Vartorella felt the girls were enthusiastic and showed promise for next year's team.

The Reserves included Marci Woolever, Nancy Haegel, Micheyle McIntyre, Annette Gliatta, Sheree Mortensen, Lois Woolever, Patty Sanders, Sue Meyers, Bonnie Garwood, Nancy Hart, Dana Moyer, and Sheri Old

Girls Tie For First

Bey Pomeroy aims for two points

Ending in a tie for first place with Monroeville, the Girls' Basketball team completed a successful season. Under the guidance of their coach, Mrs. Jean Cromley, the team's record was five wins and one loss. Their victories were over Black River, Western Reserve, Monroeville, and New London. The game with South Central was their only defeat.

Leading in points and rebounds for the Black River and Western Reserve games were Nancy Haegel and Bev Pomeroy. With a total of seventy-five points for the season, senior Ann Heckelman was the leading scorer. She also averaged twelve rebounds per game.

Last year the girls' basketball team posted a 1-6 record. There was a mark improvement in the performance of each team member. Mrs. Cromley commended the team for their outstanding season.

Varsity Go To Camp Vincennes

Vi cei, Transferi Acces Piritire Meey Methylas Twent of allik

Annette Gliatta, Micheyle McIntyre, and Theresa Flipse charge up the crowd

Edison Varsity Cheerleaders started this year off by attending Camp Vincennes for cheerleaders in Vincennes, Indiana. They were voted "most spirited" in the camp.

They operated a bake sale booth at the Milan Melon Festival, selling pies and cakes. After football and basketball practices they made cookies and lemonade for the players. The cheerleaders also prepared a sloppy joe supper for the three teams that scrimmaged during the summer. The day before the St. Paul football game, they made spaghetti for the players. The girls gave Christmas stockings to the Varsity Basketball Team for Christmas.

"I think that our cheering really helped the team get up for the games and kept them playing hard during the game," one of the cheerleaders commented. "Also I think that our skits at the pep rallies helped relieve tension and nervousness before the game."

Frosh And Reserve Lead Spirit

Reserve Cheerleaders-Row one: Jackie Foos, Row two Kathy Boose, Kris Buehrle, and Tina Flipse, Row three Susie Lambert, and Carmen Likes

Beside cheering at all of the reserve basketball games this year, the reserve cheerleaders boosted the club's spirit at other times. They cheered with the varsity cheerleaders at three of the varsity football games. They participated by cheering and helping with skits in two pep rallies that were held during the football season. Also they hung booster signs on sophomore players' houses the night before the Homecoming game.

The reserve cheerleaders made Christmas stockings for the team for Christmas. They also had a dinner at Tina Flipse's home for the reserve team on Thursday night before their last game.

While only beginners, the freshman cheerleaders cheered their team on to a winning record. Their only fund raising activity was a bake sale.

Freshman Cheerleaders-Row one Pam Wikel, Debbie Hipp, and Betty Fernandez Row two Kathy Brunow, and Debbie Lowry. Row three Kathy Thomas

Tina Flipse and Michayle McIntyre carefully cut a pie.

Pep Club and fans support the Edison Chargers.

Club Backs Team

To help give spirit to both Varsity and Reserve basketball teams, the Edison Pep Club kept the high school gym filled with the sounds of enthusiasm and boosting cheers. They were lead by the cheerleaders.

Members were required to attend all the home games. They could not leave the gymnasium during the game. Many of the girls also went to the away games. With the Edison fans, the cheerleaders, and Pep Club members spirit and excitement was added to the games.

The Pep Club girls made their own uniforms. They had jumpers made in the school colors with white blouses. Each class was represented in either orange or blue. Completing their attire were white bobby socks and the traditional saddle shoes.

Ninety girls from the ninth, tenth, eleventh, and twelfth grades were members. Serving as president for her second year was senior Bev Weilnau. Adviser to the club was Mrs. Martha Vartorella.

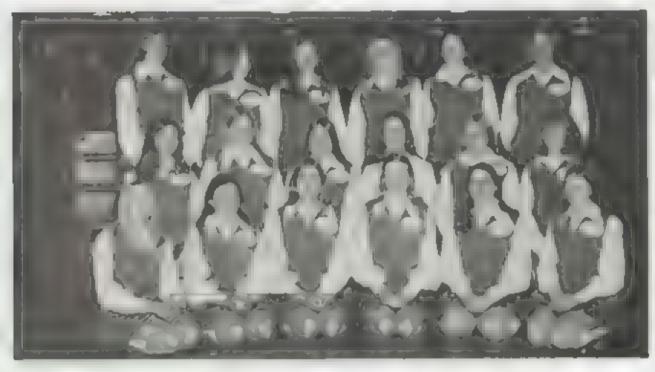

Kim Shively weits for the geme to start.

Pep Club - Row one: Kathy Boose, Kim Magee, Bobbie Bogan, Pam Leveritt, Tammy Burtscher, Marci Woolever, Kim Shively, Patty Klingler, Donya Houghtlen, Caroline Ostzel, Nancy Hutchinson, Joyce Dann, Debbie Hipp, Teresa Flipse. Row two. Kris Buehrle, Dawn Weilnau, Dotty Sholes, Diena Shafer, Debbie Springer, Kathy Brunow, Dolores Putnoky, Kathy Thomes, Janet Carver, Sallie Pyle, Annette Johns, Barb Prusa, Laurie Dirks. Row three: Suste Lambert, Cheryl Stout, Debbie Dickman, Becky Crecelius, Bonnie Justi, Lynn Pomeroy, Cheryl Zakerski, Rhonda Zellner, Amy Dircks, Patti Hoffman. Row four: Jacquie Foos, Joyce Kamens, Kathy Latrany, Jean Meyers, Patty Sanders, Libby Toler, Sheri Old, Vicki King, Betty Soviak, Cindy Bellamy, Annette Gliatta. Row five: Carmen Likes, Pam Scheetz, Linette Ramsey, Queta Lang, Susie Latham, Kathy Murray, Vicki Lehmann, Kathy Finnen, Debbie Hohman, Paulette Byers, Laura Micheals, Sheree Stiles, Jerri Twaddle, Row six: Tina Flipse, Sherry Easler, Gail Mitchell, Kim Gnecco, Bev Weilnau, Debbie Lowry, Teresa Church, Alice Young, Linda Lake.

Chargerettes Help Wrestlers

Chargerettes - Row one. Vicki King, Judy Einerson, Jayne Wellte, Joan Cooley, Kathy Buehrle, Rhonda Zeitner. Row two Debbie Springer, Dana Wigner, Sue Cheesman, Cindy Gliatta, Jackie Kainaler. Rhena Grosswiter Row three Karla Kamena, Dawn Shively, Linda Eppter, Libby Toter Patry Sanders, and Cindy Be lamy

Annette Gliatta holds car wash sign

Cindy Bollamy and Judy Einerson keep records at the Edison Invitational

Chargerettes helped the wrestlers in many ways. They made lunches, goodie bags, brought oranges, made scrap books for the seniors, and bought coaches and seniors engraved pewter mugs. Besides this, they always came out and supported the wrestlers at their matches.

They had many money making projects including selling Easter eggs and booster badges, having a car wash, and having bake sales.

The senior members of the Chargerettes this year were Joan Cooley, Kathy Buehrle, Cindy Gliatta, and Karla Kamens

Chargerettes were headed up in the second year by adviser Mr. David Kile, and president Judy Einerson Other officers were Jayne Welfle, vice president; Joan Cooley, treasurer; Kathy Buehrle, secretary; and Cindy Bellamy, spirit coordinator

INTELLECT

Candles symbolizing scholarship, leadership, character, and service surround the candle of life

NHS Inducts Eighteen

Candlelight helped carry on the tradition of the annual National Honor Society's induction ceremony May 22 at 8 P.M. in the Edison High School auditorium.

Under the direction of adviser, Mrs. Margery Lindecamp, four senior NHS officers spoke on the four essential elements qualifying an honor student. President Dave Gillard explained the meaning of National Honor Society. The NHS emblem was explained by Karla Kamens. Vice-president Jim Garwood spoke on character. Corresponding secretary Kathy Buehrle talked about leadership and secretary Joan Cooley covered service. Scholarship was discussed by Kyle Hennings.

After the speeches, each speaker lit a tall candle on the head table. They represented the four qualifications of National Honor Society. Dave Gillard, president, lit the tallest center candle representing life.

Each present and incoming member lit individual candles from the candle of life, "indica-174/National Honor Society

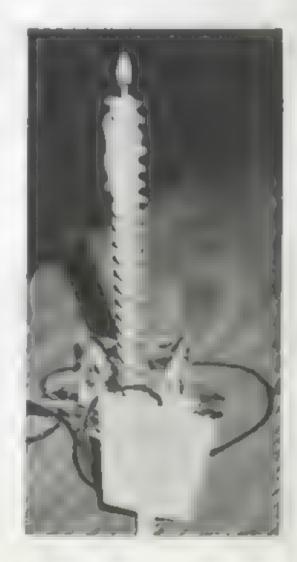

ting their desire to strive toward a well-rounded life" and in unison repeated the National Honor Society pledge.

Mr. Hageman, retired from Union Carbide and a former NHS member of Lorain High School, gave the address.

Present senior members were Lindy Agee, Kathy Buehrle, Carl Burris, John Chauvin, Joan Cooley, Francee Early, James Garwood, David Gillard, Kyle Hennings, Barb Hillis, Karla Kamens, and Chris Meyer.

Incoming members included senior Debbie Willis and juniors Patricia Best, Linda Boose, Glenda Burns, Jeffrey Chauvin, Teresa Flipse, Annette Gliatta, Joy Graham, Patricia Hoffman, Debra Hohman, Nancy Knittle, Susanne Latham, Michelle McIntyre, Laura Micheals, Gordon Moyer, Kathleen Murray, Robin Taylor, and Laura Wallrabenstein.

The faculty advising committee were Mrs. Rosemary Finnen, Mr. Ted Stoll, and Mr. William Muthig.

Patti Hoffman is tapped as a member of National Honor Society

President Dave Gillard addresses the parents and

Students Earn Various Awards

Many students earned numerous scholastic achievements and honors at Edison High School.

The Girls' State representatives were Jackie Klingler, Barb Hast, Holly Biemler, Debbie Hohman, and Susie Latham. Selected for Boys' State were Mike Shover, Jeff Chauvin, Russ Bristol, and Loren Heckelman. The students were selected for their leadership, scholastic achievement, and citizenship.

In the Youth Conference on Science and the Environments Tests Edison students placed high. Ranking fourth in the Ohio Edison Test Program was Jeff Ward. Other students who placed were Loren Heckelman, Kathy Murray, Jerry Rockwell, and Laura Wallrabenstein.

Quill and Scroll honors went to Kyle Hennings, Karla Kamens, Don Opfer, and Mike Shover, Voted the top Journalist was Fran Early, editor of the school paper, the Edison SPIRIT.

Three awards were received by students in the Home Economics Department. Laura Swartz won the Betty Crocker Cooking Award. Ohio Edison named Teresa Flipse the grand prize winner for her kitchen floor plan. Taking second place in the Needlegraft Show at Stan Huet in Akron was Kyle Hennings for her crewelwork.

The Philip Sousa Award was shared by band members Carl Burris and Dave Gillard. The National Choral Award went to senior Dale Shane. Kim Ground was presented the Distinguished Musician's Certificate from the United States Marines Youth Foundation and National Band Association.

Gir's State, Holly Biemler, Debbie Hohman, Susie Latham, Barb Hast, Jackie Klingric

Boys State Gordon Moyer, Mike Shover, Jeff Chauvin, Russ Bristol, Loren Heckelman.

Quill And Scroll Inducts Four

Miss Sophia Purcell gives Mike Shover and Karla Kamens their awards.

Mr. Jack Brown, Editor of Norwalk Reflector addresses the journal is mistaff and quests.

"In but a few years this obligation of leadership will fall to you. Make certain that you are fully prepared and fully qualified to assume this responsibility."

This was a portion of the initiation ritual for Quill and Scroll which took place on May 30 at the Showboat in Huron, Guest speaker for the banquet was Mr. Jack Brown, editor of the NORWALK REFLECTOR.

New members of Quill and Scroll were seniors Karla Kamens, Kyle Hennings, and Don Opfer; and junior, Mike Shover. To be a member a journalism student was required to be in the upper third of his class and to have contributed outstanding work to his high school publications.

For the new members, Quill and Scroll was a combination of mixed feelings. Mike Shover felt that it is "an honor", especially since he was the only junior to receive the award. Fran Early, who became a member last year and received an Editor's pin this year, takes Quill and Scroll very seriously. She felt that it would be more meaningful in the future. For Fran, being a member of Quill and Scroll helped her decide to go into the field of journalism.

After the induction ceremony the new members were congratulated by those present.

EHOVE Combines Lab With Classwork

Barb Wolf works problems for her clerk-typing class

EHOVE—Erie, Huron, and Ottawa Vocational Education School located in Milan Township, incorporates approximately seventy-five to eighty Edison juniors and seniors in its five building complex.

The vocational school serves high school juniors and seniors from all three counties. Its purpose is to give these students practical education in a specific field or trade. Many times only a technical institute or something comparable is necessary after graduation.

Still EHOVE is not without classroom work. Each department is divided into class work and lab, as well as the required history and English courses. Another unique factor of EHOVE is their clubs. Unlike the extracurricular clubs common to most high schools, every EHOVE student is required to belong to one related to the field he is studying. Students are also acquainted with parliamentary procedure.

FFA can be found at Edison, but at EHOVE all the agriculture related programs are a part of it. VIEA, Vocational Industrial Clubs of America, is a national organization for all students in trade and industry programs.

Distributive Education Clubs of America is also a national organization. DECA is a club for students with sales jobs. They co-op or work half a day and go to school the other half.

Ohio Office Educational Association takes care of all students in business courses.

Some of EHOVE's activities include movies, dances, an annual field day, and slave day.

Mini-Courses Are Experimental

Quarterly mini-courses proved to be the start of something new in Edison's English department this year. Each student selected four mini-courses which combined, were comparable to one year of English. The courses, each lasting nine weeks and given one fourth of a credit, were open to sophomores, juniors, and seniors. The mini-courses consisted of a wide variety, ranging from the uncut American culture of the wild west to the mythological mysteries of Pandora's Box.

The staff teaching this new program consisted of Miss Phyllis Frost, Mr. David Kile, Miss Sophia Purcell, Mr. Steven Schauer, and Mr. Rex Stanforth. The teachers favored these courses as "they provided variety for the students". They also chose the courses which they were most qualified to teach such as commincations, drama, or literature. The majority of the students enjoyed the mini-courses because they chose what they were interested in and thought they would enjoy learning.

The mini-courses were introduced when the teachers in the English department discussed the possibilities of offering more variety to the students. With limiting the classes to nine weeks, the teachers felt they could cover the various subjects adequately and provide enough material for the students to learn about each subject.

MR. REX STANFORTH - B.S. from B G S U. Drama Club Adviser

Business Utilizes Materials

Increasing utilization of materials available was the central goal of the business classes at Edison this year. Mrs. Sue Holder and Mrs. Margery Lindecamp felt that the greater a student's knowledge in the economics of life also greater were his chances of success in whatever his chosen field may be.

There was a variety of business courses at Edison including typing, shorthand, bookkeeping, business law, notehand, and general business. Although there were no new materials purchased, time was spent in increasing the depth and education to coincide with its increasing value in the business world.

MRS MARGERY LINDECAMP 8.S. from Kent State University Junior Class adviser, National Honor Society adviser, FTA adviser, Athletic Council.

EMR Participate In Track Derby

Mickey Weatherspoon reads assignment on blackboard

Rick Stout and Bob Hayes work together

MR. FRANK SBERNA - B.S. from University of Cincinnati; Freshmen Football Coach, Middle School Wrestling Coach.

Edison High School's EMR class consisted of twelve students from grades nine through twelve. Mr. Frank Sberna supervised.

The curriculum in this department was vocational and consumer education oriented. A major portion of their work was in courses involving basic subjects of math, language, and social sutdies. Students also selected courses in other fields of specialization especially business, home economics, and science.

The EMR class participated in the Track Derby May 24. Edison's team placed third with Dave Schindler taking second in both the 100 and the running long jump, and fourth in the shot.

Larry Strader placed second in the 440 run. Walt Cook took fourth in the running long jump with Jim Harlow placing fourth in the standing long jump. The 880 relay team of Larry Strader, Jim Harlow, Dexter Nolan, and Dave Schindler came in second.

Seniors Run Propaganda Election

An event different from the usual classroom routine of American government was the elect ion for representatives to the National Students Congress. This election was held to test the gullibility of the school to propaganda. There was an overwhelming 55% of the students and faculty that voted for something that really never existed

This year's junior American history classes went to team teaching, Mr. John Feyedelem, Mr. Richard Taylor, and Mr. William Muthig had the entire Junior class meet twice a week for lectures and then divided them into sections which met in each teacher's room for two seminars a week. This system was also used for government classes.

Civics was taught by Mr. Taylor and was a class available only for freshmen. It involved an introduction to the study of the government and how it is run.

World history, taught by Mr. Feyedelem is the study of ancient civilizations as well as those of the present time.

Introduction to social studies involved the study of psychology, sociology, history and government all combined. It is also team taught by Mr. Taylor, Mr. Feyedelem, and Mr. Muthig.

A major happening in psychology this year was an experiment that involved two girls, or two boys staying in one room 24 hours with-

out T.V., books, magazines, etc. This project was done outside class. Sociology and psychology were both taught by Mr. Taylor.

Media Center

"What was the name of that book?" asks Gordon Mover

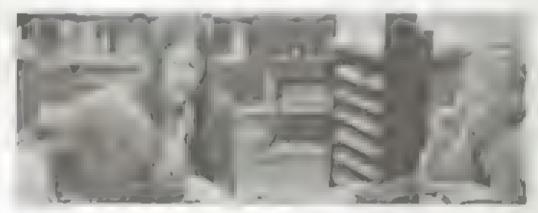

Edison's library facilities have progressed even further this past school year to reaching their goal of being a true media center.

Purchasing more tape players and casette tapes proved to be a wise move. Students and teachers' use of the tapes and players is steadily increasing, according to Mrs. Jacqueline Roscoe, head of the media center. Mrs. Roscoe mentioned the simplicity of handling these tapes in comparison to large, cumbersome record players of old. The tapes, apparently, are highly favored by Mrs. Roscoe in that they demand less storage space; a factor important to a growing school with growing needs in the way of educational materials.

Each June inventory is taken in the library and orders are made to supplement the supply of books, tapes, and whatever materials seem necessary. Orders are made on the basis of the faculty's response to Mrs. Roscoe's inquiry to their needs and desires. Response to these inquiries on the part of the teachers is steadily improving, which pleases Mrs. Roscoe. She added, "I do like to hear suggestions from the students". She further expressed a wish to see more independent reading on the part of the students, and is trying to expand the media center's facilities to encourage the student body to do just this.

Library Aides Sandy Jenkins, Dotty Sholes, Sheree Stiles, Ann Franktigner, Melinda Booth, Eucy Valentine, Becky Crecelius, Lynn Pomercy, Becky Rose, Sara Libby, Mrs. Jacqueline Roscoe, and Karen Buehile

Reading Lab Is Developed

Power Reading was a new course taught in the Reading Lab this year by Mrs. Barbara Butcher. It was designed to help both the slower as well as the fast reader improve reading skills.

There was more advanced material, such as new books and better machines with which to work.

Tests indicated students improved reading rate and vocabulary ability. "I enjoy working with teenagers", stated Mrs. Elaine Wasmiller, the teacher's aide.

Grace Mills being helped by Mrs. Wasmiller.

Department Has New Teacher

Slide ruler is a helpful tool for Judy Einerson

MISS SHIRLEY ONEY BS and MA from BGSU, Chess Club Adv sor

Miss Shirley Oney was the new math teach er this year. She taught Advance Math I, II, III, and IV. Approximately 121 students were enrolled in Miss Oney's classes. Advance Math It had the most students followed by I, II, and IV. These classes used the slide ruler and the Monroe calculator. Anyone could use these instruments for complex problems. The second teacher was Mr. Jerry Osborne. He has taught at Edison for four years and has 175 students in his three classes. Algebra I and geometry had the most students, while programmed math was not far behind. Programmed math is a basic pre-algebraic program to get the students prepared for algebra. Algebra had two books I and II. Geometry is a traditional approach to Euclidean Geometry. Lines, angles, parallel lines, triangles, rectangles are used in geometry. This course was also taught by Miss Oney.

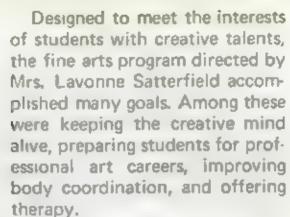

MR. JERRY OSBORNE B.A. from Georgetown College, Assistant Footbal Coach, Varsity Basketball Coach, and Ski Club Adviser

Cindy Demuth cleans caned wicker chair.

Artists Receive Loom

The courses offered were Art

1 through IV and art appreciation. Students, after taking these
courses, knew how to evaluate
themselves, to use the vocabulary
of art, to recognize a work of art,
to appreciate a work of art, and
to create a work of art.

Art I students were given exercises dealing with the basic parts of creative artwork including line, texture, shape, harmony, unity, value, repetition, contrast, and elaboration. Art II, III, and IV were taught the continuation of the basic principles. After completing four years, the students were acquainted with figure drawing and all the modern art techniques.

A new addition was a fortyfive inch Leclerc loom which was bought for the department.

MRS. LAVONNE SATTERFIELD - B.F.A., M.F.A. B.S. from BGSU

MR. THEODORE STOLL - B.S. from Ohio State University, M.S. from Oklahoma University, Adviser Freshman class, National Honor Society Adviser, Science Club Adviser.

Enc Shelly Bria. Boos and fourth maders less on Skulik Cabbage.

Camera Is New

Biology, oriented toward college bound students, covered a variety of areas. Current problems in biology such as organ transplants, genetics, taxonomy, and cell physiology were included in this course. Students had the opportunity to do inquiry type experiments which helped them to understand and apply what they had learned.

The class in advanced biology spent their time with laboratory experiments. They had brief weekly discussions to analyze their work.

A microscope camera was purchased. It was used for photographing organisms of special interest to the students.

Teaching the biology classes was Mr. Theodore Stoll.

Joan Cooley, Kethy Malone, and Patty McWilliams observe chemical reactions.

Advanced biology experiment is being performed by Bev Weitney and Nanette Bateson.

MR DAVID GRIMM - B S. from Ashland College, Sophomore class Adviser, Science Club Adviser, Golf Coech, Rifle Club Adviser

"This experiment better work right" threatens Suzanne Boegli

Don Opfer keeps a close eye on his experiment

Laser Is Used

Intermediate science curriculum study, under the supervision of Mr. Howard Yunghams and Mr. David Grimm, included various areas of science. The highlight of the year in chemistry was the students' study of rocketry. Material was purchased and rockets were constructed. The runs were successful, and the rockets could be seen leaving their pads.

Self-propelled cars and homemade catapults were the main projects of the physics class. They also had the experience of using the new laser recently purchased.

Both the first and second semester advanced chemistry classes studied semi-micro qualitiative analysis and organic chemistry.

Students learned about astronomy, geology, metrology, and oceanography in earth science. The class was designed to give the student a broad perspective of the physical forces affecting the form and structure of the earth. Each student made a rock collection, a requirement for the class. Mr. Yunghans was the instructor.

'Why don't these experiments ever work ' ask Chris Meyer

MR HOWARD YUNGHANS 85 from He de burg College M.A. from Ohio University, Assistant Track Coach,

Vo-Ag Has Career Opportunities

MR BRUCE THAYER BS from Ohio State University F.F.A. Adviser hicket seller

Career opportunities and experiences in agriculture covered a vast range in the courses offered in the Vocational Agricultural Department, Mr. Bruce Thayer was the instructor.

The study and identification of breeds of livestock, field crops, vegetable and fruit crops, and seeds and weeds were included in Agricultural Science I. Improved crop and livestock practices were emphasized along with elementary parliamentary procedure and mechanical skills in welding.

Agriculture Science II included advanced work in livestock and crop areas. Additional study and practice in various areas of shop work was given. Students were taught to keep and analyze farm or work experience records.

Members of the class in advanced agricultural science dealt with farm management, conservation, and mechanics. A hog trailer was built by the students in this class.

Stanley Weilnau cleans up for the day.

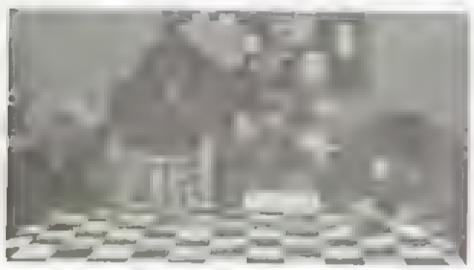

Joan Nickols examines a biology specimen.

Inflation and the changing roles of men and women have aroused some futuristic changes in the atmosphere of the home economics rooms. The doors are opening again and again to the boys and to a wider variety of girls, perhaps attracted by the semester courses new this year. Home Economics IV has been replaced by such courses as advanced clothing, practical home economics, needlework, advanced foods, and advanced home furnishings. It seems the boys have found home furnishings to be of some value, either for their not-sofar away bachelor days or for the changing role of a husband. College preparatory students, who did not have the time, are now able to fit home economics classes into their schedule.

Mrs. Rosemary Finnen and Miss Linda Friend also teach the long standing Home Economics I, II, III, and family living.

Shop Classes Develope Skill

Industrial Arts classes at Edison High School were taught by Mr. James Whittington and Mr. Donald Day. Industrial Arts I and II instruction was shared by both teachers. Mr. Whittington taught the advanced classes III and IV.

Students in Industrial Art I learned the basic fundamentals of metals, woodworking, shop math, and electricity. Constructing a spoon rack, a wall shelf, or a serving tray were project choices for this class. Techniques and skills were broader and developed in Industrial Arts II. Projects made by the students were gun cabinets and cedar chests. Industrial Arts III and IV put all their skills to such challenging projects as grandfather clocks and dining room hutches.

For his project Scott Schaefer, junior, made a grandfather clock. John Bostater, junior, constructed a cedar chest and Dale Koch, sophomore, a dining room hutch.

At the annual Arts and Music Festival May 3 and 4 many of the projects made in these classes throughout the school year were displayed for students, parents, and friends to view.

Students Create

Arts and crafts, a class open only to a senior as an elective, was again taught by Mr. Donald Day. It was a class that was basically a cross between shop and art. A student in this class got to select his project. They varied last year from making rings and jewelry to pottery. Other projects included making leather belts, mocassins, wax candles, key chains, and bracelets.

Mr. Day also was the teacher for the mechanical drawing classes. He had two Mechanical Drawing I classes and one Mechanical Drawing II class. Subjects that were covered in Mech. Draw. I were sketching, revolutions, three views, dimensioning, and inking. Mechanical Drawing II problems included three views, two point perspective, isometics, constructions, oblique, drawing, house plans, and details.

Scott Burris does a mechanical drawing assignment.

Sophomores Take Required Courses

MRS MARTHA VARTORELLA - BS. in Educ from BGS.U.G.A.A., Pep Club, and Cheerleader Adviser

Health, Drivers' Education, and Physical Education were required courses given to sophomores, Under the guidance of Mrs. Martha Vartorella and Mr. Thomas Ferguson the health classes met for twenty-four weeks. Some of the units studied were Bones and Muscles, Sex Education, Personal Care and First Aid.

Drivers' Education was taught for twelve weeks, It was a course designed for the study of road regulations, automobile safety, and emergency precautions to take while driving.

Classes in physical education met the entire school year. To achieve sportsmanship and become physically fit was the class goal. Students participated in team and individual sports such as basketball, soccer, archery, and gymnastics.

Student view modern architecture of the city

Miss Guaderrama descends from the Rain Forest Mountain.

Class Visits Puerto Rico

Edison High School's Spanish course, which was taught by Miss Guaderrama, covered a four year teaching span and gave the student an opportunity to learn in-depth about a U.S. possession country.

The 1973-74 Spanish classes consisted of thirty-two first year, an intermedia of second year, and a total of twelve third and fourth year students.

This year's Spanish II students received a new set of books entitled "Uster v Yo".

Marcia Gabel, Patty Hall, and Patty McWilliams of the Spanish IV class flew to Puerto Rico during the spring vacation with Miss Guaderrama. The second year students topped the year off with a treasure hunt.

MISS OVIDIA GUADERRAMA - B.S. and M.A.T. from St. Louis University; Spanish Club adviser, Ecology Club Adviser, Sophomore Class Adviser.

Acknowledgements

1974 Reflections Staff wishes to thank the advertisers, sponsors, and patrons for the financial support for the yearbook. Through the generosity of businesses and residents of Berlin Heights, Huron, Milan, Norwalk, and Sandusky over half of the book was paid.

The Anchor Printing and Lithographing Company of Fort Worth, Texas printed the 1974 Reflections. Mr. Paul Whitaker of Lima, Ohio represented the company.

Mr. Richard Shafer of Shafer Studio photographed members of the senior class and group pictures. He also was the aerial photographer for the end pages.

Cindy Bellamy, Beth Blackburn, Pete Brunow, Scott Burras, Anita Flesher, Maria Howard, Leanne Leveritt, Sheryl Old, Randy Porter, Pat Sanders, Betty Soviak, Karen Springer, Cheryl Stout, Howard Swartz, and Libby Toler, members of the Journalism I class, wrote some copy for various groups and activities.

Firelands Conference Wrestling pictures were taken by Mr. Louis Weiss.

The Norwalk Reflector provided several sports pictures.

Mr. Gene Lake made arrangements for the pilot and airplane for the aerial picture of the school.

Faculty member, Mr. Donald Day, drew the high school emblem on page one.

The cover was designed by Kyle Hennings. The Relections is a member of the National Scholastic Press Association and the Journalism Association of Ohio Schools.
